

Group Questions

In 5 – 8 well developed sentences answer your group's question. You should be responding from the Native American's point of view or the Explorer's point of view.

Group 1:
What brought you to this land? Why are you here?
Group 2:
What are your plans once you settle? How do you plan to use the land?
Group 3:
Would you be willing to share the land with new settlers? Why or why not?
Group 4:
Why should the opposing side be forced to leave and settle somewhere else?

Example:

We came for the apples. (**Not** well developed)

We came to this new land because we heard about the large supply of apples. (Well-developed)
