

Good Evening!

My name is Amanda Fisher, and I am very excited about my forth year in 5th grade here at CIS. My husband Zachary and I have lived here in Charlotte for a while now and have a 3 year-old cat named Munchkin. She keeps us very busy!

As a child I attended schools all across the country, including Missouri, Indiana, Puerto Rico, and Ohio. I have a bachelor's degree in Education with an additional major in Spanish and I am currently working on my Master's Degree in Elementary Education. I cannot wait to be finished in March of 2016! I never pictured myself teaching in the upper grades, but today, wouldn't trade it for anything.

As far as my educational philosophy, I believe that every child has the capability to learn in a way that fits them, while also feeling safe enough to share their opinions and thoughts openly with their community classmates. Not only will my instruction utilize technology and provide hands-on experiences, but also students will experience the real world through our classroom economy system.

Thank you in advance for all of your hard work and dedication to this school year and your child's educational success!

Sincerely,

Mrs. Amanda Fisher
